

Godefroid Nsekambabaye

Email: [freygo@yahoo.fr](mailto:freygo@yahoo.fr)

### **Biography**

Godefroid Nsekambabaye has more than fifteen years experience in financial forecasting, budgeting, cost management, financial reporting and analysis, risk management, and audits, and is knowledgeable in pension fund rules, tax administration, and employment regulations. He has twelve years experience in office administration and management, and has been responsible for recruitment, training, and supervision of finance, accounting, procurement, and office management staff, and is proficient with a variety of financial management and accounting software. Mr. Nsekambabaye has twelve years experience providing financial and administrative oversight to USAID-funded projects and is well versed in USAID rules and regulations for financial compliance, human resources management, auditing, and procurement. He has experience managing large grants pools, including financial capacity building for local organizations. Currently, Godefroid Nsekambabaye is the Chief Finance Officer at IntraHealth International Rwanda.

Mr. Nsekambabaye holds a Master of Finance and Accounting from Mount Kenya University and a bachelor's degree in Accounting from National University of Rwanda. He speaks fluent English and French.
